MONDAY MORNING, OCTOBER 10, 1381 MONOPOLIES AND MONOPOLISTS.

The meaning of the word monopolis, used to in anticipation she should begin the hot-house be o so who controlled exclusively some partie- work when the infant's tende, years plead for: ular branch of trade or some lodustry. Got- play hours tather than study, is a monstrous ernment, while it yet profected special privity error that too often ends in the death or mental eges and before it legan to exist for the peo- ruin of the object of her pride. It may be ple, often conferred upon favorites monopolics safely stated that as a rule, the infant phenomof particular branches of industry and trade; onon either withers away under the influence NEW STYLES FOR FALL SEASON and vestiges of the Rolley exist in England to- of some disease of the brainer is but a preface day. The idea, therefore, implied by the word to adult stripidity. Instances substantiating mon poly was that some one wants to do or this statement are of daily occurrence, and did sil the business in some certain, ine to the parents ought to note them. exclusion of everybor. wolse from that business; and even now this idea is carried into the daily life of many a monopoly. While it is true that there are gigantic corribanies that are rionopolies, it is likewise true that there are it le companies which would be monopolies if they coult. The only reasons why the smaller concerns are not monopolies is that they have not enough money or that they are not managed with the business ability which is general y at the fundation of the milding of a monopoly. There is an almost universal desire in the humian soul to monopolize. Most young men who bogir business sim at having the biggest establishment in town. Some of them succeed in the object of their ambilion, and in consequence of their success are unpleasantly spoken of as mono polists by those who are less successful. There are few 'atrocious op nign that "Gui, can was just as persons in business, whether as individual; or honorable as the mail he shot," is now trying in a corporate capacity, who would not like to to attituden ze as a martyr. The leading buy out some competitor or run han 20 t.of business mercot the city, denicerat; and repubtown. Wescenie to the Released Prisoners.

Visalia Oct. —The marting of citizens at Hansterd yesterday as a formal welcon of to the redurned, personers from San Jose was a success. The train was crowded by visitors from San Francisco, Antioch, Mercel, and other distart points; size large delegations from Frisno and Tularia counties. Upwards of 2540 people were present judge Co introy Talbat was president, and John a Wright si creary of the meeting Hom. Ed. C. Maladal was, in first steaker and spoke over an houthly dending tation of the judiced managers and findings of the federal court that convicted the prismers was sea hing. Cast Brown, of San Francisco (A. lowed, and, at his suggestion detcher? was declared a holiday and called the Sons of Liberty Day. Forty or fifty letters of sympathylfrom prominent from threadghout the state were read. Among dison was leftered from Congressmen Berry, J. F. Colfoy, Sonator Pinnin, Dr. Hewesten intistent of the anti-manopoly league and image Ferral. The live released meet were present with their antiles and immediate friend on a large platform which was decorated with flag and inscriptions. The committee presented a long set of resolt loss showing up the course of the railroad management about their land matters; its vindictive persents in of the prisoners, the blastd bad unjust indings and sentence of the court, reterraing the steadfas: friendship and cynipathy of the west rathering for the day into an their associates, and declaring it a greater honor of be such invenoged frisons. Than to be a corrupt judge. The released frisons have a present continued thanks for their overwhelming honor. After the exercises a suppressor based dinner was agreed of thems, and there was abundance for a limprompin tables, and there was abundance for a limp

Meeting of Pacine Synod.

San Francisco, Oct. 7.—The Presbyterian synod of the Pacific met this evening at Calvary church. Eighty-one delegates were present aim, Rev. H. H. Blee of Sarramente was chear moderator. The opening sermon was preached by Dr. Hemphilli of Calvary church. Partial reports were received from committees on devoltonal exercises and arrangement (f.essation. It is expected that the sestions of the synod will extend over seven or olgit days, meetings to be held morning, afternoon and evening, it has been expected that the Cooper-hercay case would come before the body, but as yet no reference has been made to it.

The Case of Clemetalance. The Case of Clemetakaw.

SAN Fainoriso, Oct. 8.—In the case of J. H. Clemetshaw, who was convicted of perjury in swearing that the ato Ghias DeYoung dred the first shot at young listlech, and whose case was also up to the supreme court on a writ after the acquittel of Kalloch, the supreme court count med the judgment of the law trougt. The Sulphur Bank Mine Distator.

An Upper Lake dispatch says the bodies of the our men ca ight by the caving of a shaft in the uliphur Bank mins yesterday; were recovered to a shaft in the says the recovered to a shaft in the says the

San Fastorsoo, Oct. B.—A Mexican family, rest dents of Tacson, who had been it a visit to Sonore, were return up to this place, and when between Ban Ignatio and Terrants in Sonore, where overtaken by Indiana: guacio Valenzuela and wife, sind Felici a Gazcia, were killed with their four-year-old child, Jose Alvarez, who was with thom was wounded in the arm.) A party of armed children left last night for the access of outrage.

Stongo Mobbed by One Man. REDDING, Oct. 2.—The overland stage from Oregon was robbed hat night about fourteen miles from here by one man. He tookgelells, Farge & Co's ea-press box and the mail. The expesse box contained ing of value. Two passengers were on the stage he made them get out and walk about.

ARIZONA

Cast. Mentign's Munderer Captured.

Tucson Ort. 8.—A Cities special from San Oaylos this morning says Col. Titsuy arrested Ashay, who Nadiski and other friendly indians say is the murderer of Capt. Heatig. In his examination by the Indian agent he acknowledged being n the Oilsicu fight and firing two of the first show. He also said that he was of the party who I filed Tupner and Moody at Middleton ranch, but says healtd not go so the ratch. He says Askesite and Nontaroshi commanded the varty and that Joctah first into the first show. Askesite is now a prisoner with flat. Indian askes a prisoner. Nontaroshi commanded the varty and that Joctah first in the first show. Askesite is now a prisoner. Wontayosh is one of the first show in the containers who escaped from the military here last Friday night. Askay says Beed Shot, who was taken by Col Tiffany, a few days ago, was one of the leaders in it e Civica fight; that the Cipica fight is teaders in the Civica fight, that the Cipica fight is thought of the dead sudders. He was turned over to General Carr last night. The secury accounts brown up the Tisavin gang, five miles north of here, and because in the Civica fight. The secury accounts brown up the Tisavin gang, five miles north of here, and because of the law of the dead colders. He was turned over to General Carr last night. The secury Capt. Months's Mundores Captured.

Saw Francisco, Oct. 8.—A William dispatch mays.

Saw Francisco, Oct. 8.—A William dispatch mays.

Troops six new merying across the southeast of the
Chiricah us range toward Maxico is intercept hostiles to that direction. The scoot at the sub agency
abowe that the only heatiles out that time must be
chaircahus Occige and Bonito's ban is, not less that
100. Orders have been sont to Bernard to follow the
hostiles into Sonora'. I permission is granted by
Maxicos anthonites to cross the line, and to co-operate with their irroops. The Menican authorities
were notified several lays ago and their co-operation requested. Tiffuny is reported as feeling perfectly, sefa now, as about 300 soldiers are at the rescevation, but those who have lived for years in that
vicinity place no confidence in the Indians promise
to remain on the reservation and think that they
only remain on the receivation in the irroops being there
and in the vicinity. The Apaches over the Border

LATER, 9 P. M.—Mr. Norton; of the firm of Norton is Stewark, talegraphs from Grant tain the wire between here and Thomas, went down at 6:30, and they will not send a stage out to night. Jones, who came from Thomas this morning, says Lient, Will-con, with an escort of ten men, under orders to be a Grack this evening, had not yet serived. Signal fire are seen on the mountains across the valley. A large force will be sent out from Grant to find the cause of the wire being down. It is shought that the wire has seen broken by Indense, but sothing is authentic. All kinds of runners are here.

The Chamme in Motion:

The Caleman in Medica.

Saw Fairicance, Def. S.—A dispatch from Wilcox says: There are three columns in the field against the hostiles. Berriard's troop to the west of the Chiricoshua range, Wagner's to the sast and McLellan's moving southwest; the objective point of meeting being at the lifexion line, which they will all other if the Mexican autorities permit and on-operate with their troops. The line is up to Fort-Thomas said everything reported quiet at the reservation.

Major Arnold has a Brook with the Indian A disparch from Fort Willcord abed Oct. Seays A courier who served at Bowie update that Major Arasid's command stacted the Indians between Behacouster author and the Ruschusen menutains. The Indians abandoned all freir unimals and took as the mountains. Two Indians were found dead and the rest Lawry one to the south end of the Hunchuses mornators.

Bobber in Actions. Tourneyour, Oct. 9.—This affectson the stage that fort Reason with passengure from the west for Tourneyour, Oct. 9.—This affectson the west for Tourneyou was stopped four miles from Contention on the San Fadro by five men. The driver jumped off from the seage. The hories such fright and ranseway. The cober's "food up" the passengers, eleving in number, and got about \$500. They no action from Wells, Facyo & Oo's treasure box. The market and Escalar Williams, Wells, Facyo & Oo's season's have some in foundation.

Comment Notes.

VIRONIA, Oct. S.—Crossont No. 40, on the Sierra Novade is again henry pushed essward. This give general satisfaction here as our mining men think more ere will be found in that direction. Work will be resumed in the hottom of the wines in a riday of two. The flavage folks to-day be-in removing bulk-heads from the circle flowing out on the combination shart on the 2600 foot level. They have our church on the 1800 foot level. They have our church on the 1800 foot level. They have our church out on the state of the stat

Otyarm. Out it.—Quine a gloom has been and over this town by the sudden death of Charles Tolliner, Jr., who was found it does in his bee. Saintiday morning. Demand was about 12 years of age, and was universally respected in this commanity. His death is supposed to have resulted from heart disease. The fundral, which took place to fay, was he largest that has left Olympis for years. The Villard party left yesterday for Por land by the marrow pange railroad.

The agricultural rate will open to-morpow and promises to be a success provided the weather proves propitions.

Port Townsend Passenger List. Pour Townsup, Oct. D.—The steam thip Idaho sailed at F.M. to day with the following San Francisco Passengers: O. M. YanDörsu, H. Dunn, H. Wilson, wife and child H.E. Hathaway W. E. Trigg, John Morrissey, F. Claus, Miss Lande, P. W. McCue, J. M. Barber, C. Z. Ellis, Frank McChiere, J. M. Burnett, Wis. Childman, A. E. Morton and 18 in the steerage.

PENDLETON, Oct. 7.—An Irishmat, known as Doc Pexplanos, Oct. 7.—An Irishman. known as Doo-ley, was blied assar here yesterday by fulling into a well. He was sugaged in digging the well with Frank key, and they had sunk it andie 40 feet. Koy was at the bottom of the well and andstrook to let Dooley down by the ropectrown over the windlase. By some mismanagemont the latter lost it is hold on the rope and fell, the full depth of the well. He lived about one four and a half after he as the k to bottom. The rope slipped off the windlask and Key was kept a prisour with the deal man mofil last night; when his situatibh was discovered an i he was liberated.

RECTISH COLUMBIA.
